FREE PUBLIC LECTURE

Stephanie Tolan

Who Are the Gifted and What Do They Need From Us?

This lecture will explore the powerful differences that gifted children bring into our classrooms, our libraries, and our families and will address ways to meet the wide-ranging needs those differences create, from academic through social and emotional. When our world is full of cages, how can we find ways to allow the cheetahs among us the opportunity to run free?

TIME: 7.30 -9.00pm

THE VENUE: Public Policy Lecture Theatre
The University of Melbourne
Level 2, 234 Queensberry St
